Bremerton's quality of life is what makes this city—and our visitors—smile.

Bremerton is truly a beautiful city. There is even more to enjoy now that Bremerton Harborside and the Kitsap Conference Center are open to the public. The complex includes a 750 seat conference center, hotel, office center, Anthony's HomePort Restaurant and an expanded Port of Bremerton Marina. In addition to its scenic beauty, Bremerton has dozens of unique neighborhoods, affordable housing, excellent schools and numerous Parks & Recreation programs. Our diversity has rewarded Bremerton with a thriving artistic and cultural community including an officially recognized fine arts district. Olympic College, located just a few blocks from downtown, is known for attracting both aspiring and accomplished musicians to its music and jazz programs.

We invite you to enjoy a stroll through our Arts District and the HarborSide Fountain Park near the ferry terminal. Take a short walk across the Manette Bridge for some shopping, or head north a few blocks to beautiful waterfront and Evergreen Park. It will be easy to see why people are talking about Bremerton and what a great place it is to live, work, play and visit!

Have a great day and come back soon and visit us again.

Patty Lent, Mayor
